Faith. Academics. Service.

## Catholic Schools

**PARENTS** - All of us here at Sacred Heart School would like to thank our parish family for the sacrifices they make for us to have this school we love where we can pray, play and learn every-day. We want to show our SHS pride so **please have your children wear their school uniforms for the all school 9:00 Mass on Sunday and sit in the designated area on the south side of the church.** Everyone can then see all of us sitting together in worship and celebration of our Catholic Schools. We have so much to be thankful for!
